AWARD

This is an application under Section 33C(2) of the I.D.A., 1947, in short the Act, filed by the above applicants against the above opponents, claiming from the latter the amounts mentioned in the said application and in the annexure.

2. It is applicant's contention that they were employed by the Opponent No. 1 from 1976 with the monthly salaries as mentioned in the application. They are due increment in April of Rs. 20/-, Rs. 15/-, Rs. 7/- and Rs. 5/- as per their resp. scale of pay. The factory was in production upto 31-12-1982. They have been paid their salary every 5th of the month, but they have not received their salary from 25-11-1982. The Provident Fund is not fully paid, though the same is deducted from their salaries every month. Bonus for the year 1981-82, 1982-83 has also not been paid to the applicants. On 3-1-1983, the Central Bank of India, Vasco Branch and Area Head Office, by court order appointed a receiver and took over the factory on 3-1-1983 and locked it and so the applicants are locked out without any notice in writing. The Central Bank of India made the applicants work for one month in January, 1983 to clear 759 numbers filled Oxygen cylinders and promised to pay them for this clearance and have not paid them one month's salary for January 1983.

3. The Opponents, in their written statement, raised some preliminary objections regarding the maintainability of the application and lack of jurisdiction of this court to entertain it and, on merits, stated that they have been paid their dues till the end of November 1982 by opponent No. 1. The wages in respect of December 1982 were falling due on 7-1-1983, but the Opponent could not make the payment, as usual, because the Central Bank of India, one of the creditors of Opponent No. 1, filed a suit against opponent No. 1, in the court of the Civil Judge, Sr. Division at Margao and the court was pleased to appoint a receiver, who took over the possession of the entire establishment including the Oxygen Plant at Sancoale, wherein the applicants were employed. The receiver took over the possession on 3-1-83 and, as such, opponent No. 1 could not make the payment of December 1982. Regarding Provident Fund and Bonus, it is stated that this court has no jurisdiction to deal with the applicants claim in this connection.

4. The applicants moved an application praying that Shri Caetano Xavier, court receiver, be also joined as a party. Heard the Opponents, they did not object and so the court passed order granting the application. The court receiver was joined as a party and he filed his say.

5. Following issues were framed by this Court:

"1) Whether Opponent No. 4 proves that this Court has no jurisdiction to entertain this application against him?

2) Whether Opponent No. 4 proves that he could not be joined as a party to this application without the leave of the Court which appointed him as a receiver in the case?

3) Whether the Opponent No. 4 proves that the Order appointing him as a receiver did not authorise him to disburse moneys or make payments?

4) Whether the Applicants prove that they are entitled to the amounts claimed?

Issues No. 1 and 2 to be deemed as preliminary."

6. Before any evidence was led in this matter, the parties approached the Court and filed an application stating that they had amicably settled the matter as per the terms of the Agreement which was also filed alongwith the application and prayed that a consent award be passed on the said settlement.

7. All the applicants were present before me, except applicant No. 14, Shri Mukund Kulkarni. The applicants present confirmed their signatures on the settlement produced before the court and stated that they were explained the terms of the said settlement and they had accepted the same and, accordingly, signed.

8. I have carefully perused the terms of the settlement which shall form part of this Award and arrived at the conclusion that they are just and fair to all the parties. Hence, I accept them and pass the following order:

ORDER

Consent Award in terms of the settlement above is here by made and the application is disposed off regarding all the applicants, except applicant No. 14, Shri Mukund Kulkarni. Regarding this last applicant, his application shall proceed incase he does not settle it with the Opponents. I was told that this applicant, Mukund Kulkarni, could not sign the settlement because he is absent and that he may sign it within a short time. No order as to costs.
